11	Rule 11 It might perhaps be that in regard to budgetted items, the Municipal Council might draw up a programme of detailed items of works to be undertaken and that it is intended that the powers of sanction of the Managing Committee should be confined to the works included in the programme

	Rule 15 No words seem to have been omitted, but there seems to be some confusion in the construction of the sentence The clause ought to read or wherever not less than three members thereof consider it necessary"
12	In regard to comparing the rules with those obtaining in Mysore city, it is submitted that the draft rules now sent us are very elaborate unlike those in Mysore The other rules have been scrutinised and seem to be in order
